What were the most rewarding parts of last semester?

What were the most challenging parts?

What does your spring semester look like? What are you most excited about for the semester? Do you have any concerns?

What are your service plans for the spring? (If there are no plans, reinforce the date for the Volunteer Fair and remind all students of the Jan. 27th start date) Do you have any summer service plans?

How do you see your service work complementing your school work?
How does your service work fit your LIFE plan?

Are you where you want to be right now—physically, emotionally, academically, etc?
